

Beetle Clip Series

Slim version for narrow space

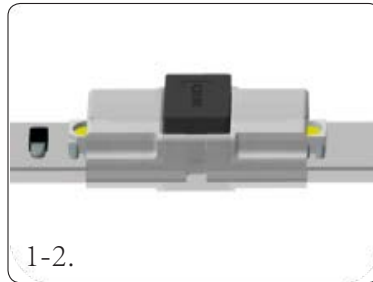

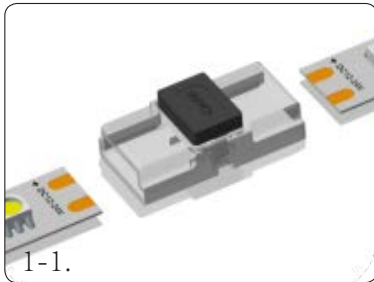

Beetle Clip is slimest LED strip connector ever, outer width is only 1.5mm wider than strip light's while the high is just 4.3mm. Pierce to contact technology bring unbelievable fixing and connection stability. Not to mention that user can attach different wire easily to this connector on site according to project requirement.

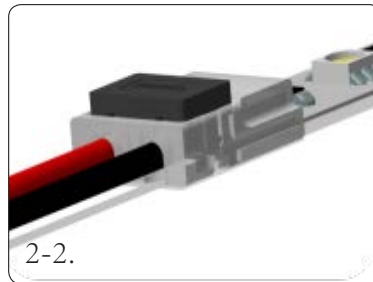

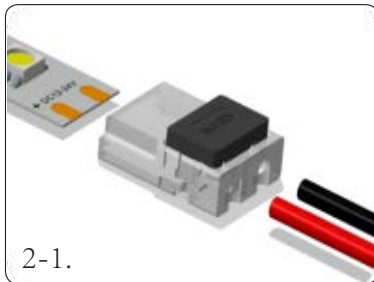

Clear housing will not cover any light from LED strip.

How to use

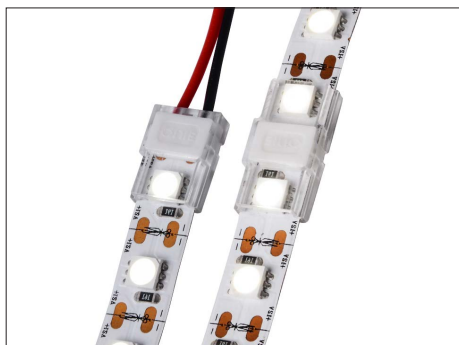

1. Connect strip to strip

2. Connect strip to wire

Application Effect

Model for Choice

Item NO.	<i>BCN8XB-2</i>	<i>BCN8BB-2</i>	<i>WBCN8XB-2</i>	<i>WBCN8BB-2</i>
Type	<i>strip to wire</i>	<i>strip to strip joint</i>	<i>strip to wire</i>	<i>strip to strip joint</i>
Workable Wire Gauge	20 AWG / 0.54 mm ²	/	20 AWG / 0.54 mm ²	/
Product color	<i>Black</i>	<i>Black</i>	<i>White</i>	<i>White</i>
Dimension	15.4*9.5*4.3mm	21.6*9.5*4.3mm	15.4*9.5*4.3mm	21.6*9.5*4.3mm
Voltage & Current	DC3~24V / Max.5A			
Pin Quantity	2 pins			
Strip Light Width	8 mm			
Strip Light Color	Single Color			
Strip Light IP Rating	IP20			
Material	PC & Copper
